It was a beautiful condo. The furniture was very comfortable. The king size bed was great. Having bathrooms each with a walk-in shower was most convenient was wonderful We would definitely book this condo again

We have stayed with JC Resort Vacation Rentals for several years.

We will return! All the team members are Awesome! Very efficient, courteous and helpful. We would recommend to friends. Suggestion: Ceiling fan in master bedroom would be nice. Also, needs better lighting in kitchen and dining room areas.

5 Years coming to JC Resorts
